The Chosen

A bible study based around watching the popular TV series The Chosen. This group will watch an episode from the Chosen each week and then discuss what they've seen using a specially produced Bible study. There'll also be tea/coffee and fine pieces. It aims to be a relaxed group that deepens understanding of the life of Jesus and supports each other in following him. Led by Sharron and Morag. You can let them know you're coming along or just turn up.

Wednesday evenings at 7pm starting Wednesday 27th September in Cairncry Community Centre

The Bible Course

An 8-week overview of the whole Bible which will increase your confidence, equip you to read the Bible better and help you to see its relevance to daily life. Led by Ian. Let him know that you're coming along or just turn up.

For more information or to tell us you're coming along email iaitken@churchofscotland.org.uk or message 07833712897.

Both groups are running in Cairncry Community Centre on Foresterhill Road (next to Aldi)
