

I stand amazed in the presence
of Jesus the Nazarene,
and wonder how he could love me,
a sinner, condemned, unclean.

How marvellous! How wonderful!
And my song shall ever be:
How marvellous! How wonderful
is my Saviour's love for me!

He took my sins and my sorrows,
and made them his very own;
and bore the burden to Calvary,
and suffered and died alone.

When with the ransomed in glory
his face I at last shall see,
'twill be my joy through the ages
to sing of his love for me.

Jesus, be the centre,
Be our source, be our light Jesus.
Jesus, be the centre,
Be our hope, be our song Jesus.

Be the fire in our hearts
Be the wind in these sails
Be the reason that we live
Jesus, Jesus.

Jesus, be our vision
Be our path, be our guide, Jesus.
Jesus, be our vision
Be our path, be our guide, Jesus.

Jesus, in your presence
We know peace, we know joy, Jesus.
Jesus in your presence
We find strength, we find hope, Jesus.

We will raise the name of the Lord
Our refuge and our song
Every circumstance we rise and sing,
“Our God, our rescuer!”

Taste and see that the Lord is good
Blessed are those who take refuge in him
Taste and see that the Lord is good
That the Lord is good
That the Lord is good.

In our brokenness we will see
Our mighty God is here
We declare with joy, “The Lord is good!
Our God, our rescuer!”

We God’s people gathered rejoice
Our Saviour face with hope
Radiant we sing; our songs proclaim,
“Our God, our rescuer!”

For my brothers and my sisters feeling low

For the orphan longing desperately for home
For the broken ones who don't know where to go
In Jesus name there is hope

For the mothers and the fathers on their knees
For the sons and daughters trapped in slavery
For the anxious heart that's fighting for some
peace
In Jesus name you are free

In Jesus name Amen

In Jesus name Amen

In Jesus name

There's nothing He can't do

When we pray

In Jesus name

For the world to know they're loved through
sacrifice
For the church to leave the room and testify
For the streets to flow with justice changing lives
In Jesus name, come alive

The only name who stands alone
The only name that is unrivaled
The only name that is on the throne
The name of Jesus

The only name that we believe
The only name that creation sings
The only name for eternity
The name of Jesus

Everyone needs compassion

Love that's never failing
Let mercy fall on us
Everyone needs forgiveness
The kindness of a saviour
The hope of nations

Saviour

He can move the mountains

Our God is mighty to save

He is mighty to save

Forever

Author of Salvation

He rose and conquered the grave

Jesus conquered the grave

So take us as you find us
All our fears and failures
Fill our lives again
We give our lives to follow
Everything we believe in
Now we surrender

Shine your light and
Let the whole world see
We're singing
For the glory of the risen King
Jesus

Shine your light and
Let the whole world see
We're singing
For the glory of the risen King
